

2014년도 산업안전보건관련 국제 컨퍼런스 행사 목록

1

1) Conference

Occupational and Environmental Factors in Infectious Disease and Updates in Occupational Health

2) Organizer(s)

The University of California, San Francisco School of Medicine (UCSF)

3) Period

March 6-8, 2014

4) Venue

Holiday Inn Fisherman's Wharf
San Francisco, CA, USA

5) Conference 설명

This course, presented by the Division of Occupational and Environmental Medicine in the Department of Medicine at the University of California, San Francisco, is designed to provide occupational and environmental health professionals and persons from other health care-related disciplines with a review and update of current data in occupational and environmental medicine.

2.

1) Conference

Analyzing Risk: Principles, Concepts, and Applications

2) Organizer(s)

Harvard School of Public Health

3) Period

March 10-13, 2014

4) Venue

Harvard School of Public Health, Boston, MA, USA

5) Conference 설명

To address the public health risks posed by environmental hazards, it is necessary to have a thorough understanding of risk assessment methodologies. To meet this need, Harvard School of Public Health offers an executive course, Analyzing Risk: Principles, Concepts and Applications.

1) Conference

The Health & Safety Event

2) Organizer(s)

The British Safety Council

3) Period

March 11-13, 2014

4) Venue

NEC, Birmingham, England

5) Conference 설명

New for 2014! The Health & Safety Event launches at The NEC

The British Safety Council continues to operate as official educational partner as Western Business Exhibitions expands its events portfolio to include a national three day exhibition and conference at Birmingham's NEC.

4

1) Conference

4th International Conference on Health, Wellness and Society

2) Organizer(s)

The Health, Wellness & Society Knowledge Community

3) Period

March 14-15, 2014

4) Venue

University of British Columbia at Robson Square
Vancouver, Canada

5) Conference 설명

The conference is built upon four key features: Internationalism, Interdisciplinarity, Inclusiveness, and Interaction. Conference delegates include leaders in the field as well as emerging artists and scholars, who travel to the conference from all corners of the globe and represent a broad range of disciplines and perspectives. A variety of presentation options and session types offer delegates multiple opportunities to engage, to discuss key issues in the field, and to build relationships with scholars from other cultures and disciplines.

5.

1) Conference

2014 SPE International Conference on Health, Safety and Environment

2) Organizer(s)

SPE(The Society of Petroleum Engineers)

3) Period

March 17-19, 2014

4) Venue

The Long Beach Convention & Entertainment Center

Long Beach, California, USA

5) Conference 설명

For more than 20 years, the SPE International Conference on Health, Safety, and the Environment has been the E&P industry's premier international event highlighting HSE best practices and challenges. But our goal is to reach beyond the industry by introducing relatable presentations, special topical sessions, and networking opportunities you can't find anywhere else.

6.

1) Conference

2014 Southwest Safety Congress & Expo

2) Organizer(s)

NSC(National Safety Council)

3) Period

March 18-20, 2014

4) Venue

Mesa Convention Center

Mesa, AZ, USA

5) Conference 설명

The Southwest Safety Congress & Expo is the largest annual "must attend" event in the southwest for safety, health and environmental professionals. It is designed to build awareness of the tools available to you and your organization as you continue down the path to safety excellence.

1) Conference

SAFETYCON – 2nd WA Safety in Construction Conference 2014

2) Organizer(s)

Expotrade

3) Period

March 19-20, 2014

4) Venue

Perth Convention & Exhibition Centre, Perth, WA, Australia

5) Conference

SAFETYCON – the 2nd WA Safety in Construction Conference 2014 has been tailored for all stakeholders engaged in construction projects in both the infrastructure and resource sectors. This Conference will allow participants to better understand these developing safety issues by presenting a holistic view of the greater challenges presented.

8

1) Conference

2014 Spring Meeting and 10th Global Congress on Process Safety

2) Organizer(s)

AIChE(American Institute of Chemical Engineers)

3) Period

March 30 - April 3, 2014

4) Venue

Hilton New Orleans, LA, USA

5) Conference

The AIChE Spring Meeting is the year's key technical conference for practicing chemical engineers. A wide range of subjects relevant to the current needs of industry is covered. Plus, the Global Congress on Process Safety covers the critical needs of process safety practitioners more broadly and deeply than any other conference.

9.

1) Conference

The Occupational Health Professionals and the Exposures to Electromagnetic Fields

2) Organizer(s)

ICOH Scientific Committee on Radiation & Work, SFSE

3) Period

April 7, 2014

4) Venue

Paris, France

5) Conference 설명

Electromagnetic Fields, Occupational Exposure, Occupational risk, health issues, the new EU Directive 2013/35/EU, the ICNIRP guidelines, biophysical effects in the ELF range; health surveillance: possible criteria, workers at particular risk, EMF occupational exposure and electromagnetic hypersensitivity and exposure to EMF MRI and occupational exposure to EMF; EMF risk communication

10.

1) Conference

International Conference of Environmental and Occupational Health 2014

2) Organizer(s)

UPM(Universiti Putra Malaysia)

3) Period

April 7-9, 2014

4) Venue

Putrajaya Marriot Hotel, Malaysia

5) Conference

Universiti Putra Malaysia in collaborations with other universities and agencies welcomes you to the International Conference of Environmental and Occupational Health in Putra Jaya, Malaysia from 7 - 9 April 2014.

6) Conference

11

1) Conference

2014 Western Conference on Safety

2) Organizer(s)

Pacific Safety Center

3) Period

April 14-15, 2014

4) Venue

Hyatt Regency, Vancouver, Canada

5) Conference

The conference includes a blend of seminars aimed at everyone from the new safety committee member to the most experienced safety professional. With over 25 sessions, keynote presentations, a 70+ booth tradeshow and more than 1000 delegates, this conference has something for everyone.

6) Conference

12.

1) Conference

the 11th conference of the European Academy of Occupational Health Psychology

2) Organizer(s)

The European Academy of Occupational Health Psychology

3) Period

April 14-16, 2014

4) Venue

Senate House, University of London, UK

5) Conference

The programme will include a special session featuring a debate on the future of OHP with Professor Robert Karasek and Professor Johannes Siegrist, and further keynote addresses by Professor Tom Cox and Professor Eva Demerouti.

6) Conference

13.

1) Conference

Iowa-Illinois Safety Council 61st Annual Professional Development Conference & Expo

2) Organizer(s)

Iowa-Illinois Safety Council(LLSC)

3) Period

April 23-24, 2014

4) Venue

NEW DoubleTree, IA, USA

5) Conference

- THREE Days with added Workers' Comp & Environmental Tracks
- Hospitality hour to socialize
- Vendors exhibiting new ideas, new resources and new technology

6) Conference

7) Link 사이트

<http://www.iisc.org/PDC>

14.

1) Conference

5th International Conference on the History of Occupational and Environmental Health

2) Organizer(s)

Erasmus University of Rotterdam and the Arnold Leuftink Foundation, the Netherlands

3) Period

April 24-25, 2014

4) Venue

Rotterdam, Netherlands

5) Conference

The main theme will be the process of framing of occupational diseases and occupational and environmental risk factors for health and safety. However, other themes may be addressed.

6) Conference

15.

1) Conference

AOHC(American Occupational Health Conference) 2014

2) Organizer(s)

ACOEM(American College of Occupational and Environmental Medicine)

3) Period

April 27-30, 2014

4) Venue

Marriott Rivercenter, Texas, USA

5) Conference 설명

AOHC serves two fundamental purposes: it is the premier professional meeting for physicians and other health professionals who have an interest in the fields of occupational and environmental medicine (OEM); and it is the annual membership meeting for ACOEM's members.

6) Conference

7) Link 사이트

16.

1) Conference

Global Conference on Good practice in constructions

2) Organizer(s)

DHSG(Danish Health and Safety Group)

3) Period

April 29-30, 2014

4) Venue

ØKSNEHALLEN, Copenhagen, Denmark

5) Conference

The global conference on safety in large-scale construction projects is to be held. The conference will offer the opportunity for companies and organisations on the employee as well as the employer side to exchange views and strategies and to establish networks for future collaboration.

6) Conference

17.

1) Conference

IOSH Middle East Annual Conference

2) Organizer(s)

IOSH(Institution of Occupational Safety and Health)

3) Period

April 30, 2014

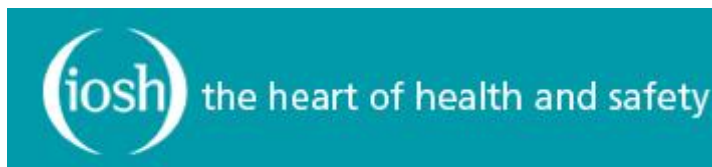

4) Venue

Yas Viceroy hotel, Abu Dhabi, UAE

5) Conference

The IOSH Middle East annual conference provides essential updates on health and safety developments affecting the region. The conference explores how successful initiatives are implemented and how organisations are addressing the challenges as well as offering guidance from experienced, high-profile international speakers on how to promote health and safety in the workplace.

6) Conference

18.

1) Conference

7th International Occupational Safety and Health Conference(+ 1st TOSH Expo)

2) Organizer(s)

Tezulas Fuar Dan.Hizm.Ltd.Sti., Messe Dusseldorf

3) Period

May 5-7, 2014

4) Venue

Exhibition Ground of Halic Congress Center Istanbul, Turkey

5) Conference

The conference, aimed to provide the opportunity to share experiences on international and national level, was first organized in 2001. The conference, which is going to be the seventh in 2014, will be open to the participation of all interested parties of labour life, experts and students.

19.

1) Conference

80th Annual Minnesota Safety & Health Conference

2) Organizer(s)

Minnesota Safety Council

3) Period

May 6-8, 2014

4) Venue

Minneapolis Convention Center, Minnesota, USA

5) Conference

The conference is aimed to

- Connect with the people and resources that can keep you in the know about trends and issues in safety and health.

- Gain tools and techniques to strengthen your organization's safety program.

Network with more than 1,400 of your peers to share experiences, best practices, solutions.

- Recharge your energy and enthusiasm for preventing injuries and saving lives.

20.

1) Conference

The 9th Occupational Safety & Health Exhibition for Asia

2) Organizer(s)

Messe Duesseldorf Asia Pte Ltd

3) Period

May 7-9, 2014

4) Venue

Suntec, Singapore

5) Conference 설명

Acknowledging that workplace safety and health is a long term goal that should remain a priority and is everyone's responsibility, OS+H Asia 2014 provides a wide array of products, services and applications from leading companies in the field to help attain this goal.

22.

1) Conference

The 12th International Conference on Occupational Risk Prevention

2) Organizer(s)

Aragon Government

3) Period

May 21-23, 2014

4) Venue

Palacio de Congresos de Zaragoza, Spain

5) Conference

Zaragoza will be for a few days a scientific technical laboratory for the occupational risk prevention where various actions for constant improvement will be highlighted. The meeting will serve as a "benchmark" to extract good practice that will design the basic experiences of a healthy enterprise of the 21 century.

6) Conference

23.

1) Conference

RAD 2014 (2nd International Conference on Radiation and Dosimetry in Various of Research

2) Organizer(s)

IAEA, University of Nis, Applied Physics Laboratory(APL)

3) Period

May 27-30, 2014

4) Venue

Faculty of Electronic Engineering, University of Nis
Nis, Serbia

5) Conference

THE AIM of the Conference is to provide the forum for researchers and professionals involved with radiation and radiation dosimetry to exchange and discuss their findings and experiences. The fields covered by the Conference are physics, electronics, medicine, biology, chemistry, environmental protection, and other areas related to ionizing and nonionizing radiation and their detection.

26.

1) Conference

2014 Oklahoma Safety & Health Conference

2) Organizer(s)

Oklahoma Safety Council(OSC)

3) Period

June 4-6, 2014

4) Venue

Renaissance Tulsa Hotel & Convention Center, Oklahoma, USA

5) Conference

Each year the Oklahoma Safety Council (OSC) hosts the largest safety and health conference in Oklahoma. The 2014 Oklahoma Safety & Health Conference will be jointly hosted by the OSC and the Oklahoma Department of Labor (OKDOL). Over the course of two days, more than 500 participants will have the opportunity to hear speakers on a variety of 30 safety and health related topics, pursue ongoing educational accreditation, participate in courses designed for OSHA compliance and network with peer professionals.

6) Conference

7) Link 사이트

<http://www.oksafety.org/conference>

27.

1) Conference

The 18th International Congress on *in vitro* Toxicology, ESTIV2014

2) Organizer(s)

The European Society of Toxicology In Vitro (ESTIV), The International Society for In Vitro Methods(INVITROM)

3) Period

June 10-13, 2014

4) Venue

Egmond aan Zee, Netherlands

5) Conference

Emphasis will be specifically on how new technologies can strengthen the interpretation and application of in vitro methods in toxicological research and risk assessment.

6) Conference

7) Link 사이트

<http://www.estiv2014.org/welcome.html>

28.

1) Conference

Africa Regional Association of Occupational Health (ARAOH) Congress 2014

2) Organizer(s)

ARAOH

3) Period

June 12-14, 2014

4) Venue

Panafric Hotel in Nairobi, Kenya

5) Conference 설명

The Theme of the conference is occupational safety and health in a rapidly changing work environment in Africa.

6) Conference

7) Link 사이트

30.

1) Conference

9th International Conference on Workplace Bullying and Harassment

2) Organizer(s)

University of Milan

3) Period

June 17-20, 2014

4) Venue

the Schuster Building, University of Milan, Milan, Italy

5) Conference

Interest in workplace bullying has dramatically increased over the past 15 years, gradually involving different countries worldwide and different actors in a wide range of study and intervention areas.

Actually, research and practice still highlight the negative impact of workplace bullying on the individual, the work organization and the society at large. The current critical economic and social times call for even more attention in the issue with a view to safeguarding and promoting dignity and justice at work.

1) Conference

International Conference for Academic Disciplines(Venice) Health & Safety

2) Organizer(s)

International Journal of Arts & Sciences(IJAS)

3) Period

June 30 - July 3, 2014

4) Venue

Universita' Ca' Foscari Di Venezia, Venice, Italy

5) Conference 설명

The IJAS Conference Series takes place annually in several cities across Europe and North America. The series has three primary aims. The first aim is to provide opportunities for academics from a range of disciplines and countries to share their research. The second aim of the Conference Series is to provide opportunities for academics to receive informal in-depth feedback through discussions, and to enable them to establish contact with professionals in other countries and institutions. The third aim of the Conference Series is to introduce academics to educational premises in locations that are suitable for study abroad programs and which may meet their students' educational needs.

1) Conference

XX World Congress on Safety and Health at Work 2014

2) Organizer(s)

International Labour Organization (ILO)

International Social Security Association (ISSA)

German Social Accident Insurance (DGUV)

3) Period

August 24-27, 2014

4) Venue

Congress Center, Frankfurt, Germany

5) Conference 설명

The World Congress 2014

. Provides a forum for the exchange of knowledge, practices and experience between the participants with the aim of promoting safety and health at work

. Reinforces and builds networks and alliances while laying the groundwork for cooperation and strengthening relationships among all concerned

. Provides a platform for the development of knowledge and strategic and practical ideas that can be immediately put into use
