

Integrated Program Management for Timely Response to Core Issues of Industrial Safety

- Streamlining of Programs for Enhanced Post-Pandemic Industrial Safety -

Project	<ul style="list-style-type: none">Timely Response to Core Issues (Localized Programs)						
Major changes	<ul style="list-style-type: none">Similar and overlapping programs are to be merged and streamlined to enable better responses to rapidly changing, post-pandemic industrial safety conditions and better protection for workers against various new issues. <table><tr><td>2020</td></tr><tr><td>Localized programs (6,400)</td></tr><tr><td>Intensive management for special-status employment and other vulnerable workers (2,000)</td></tr><tr><td>Development of safe techniques for tasks with high risk of fatality (all year round)</td></tr></table> <div>▼</div> <table><tr><td>2021</td></tr><tr><td>Timely responses to core industrial safety issues (5,000)</td></tr></table>	2020	Localized programs (6,400)	Intensive management for special-status employment and other vulnerable workers (2,000)	Development of safe techniques for tasks with high risk of fatality (all year round)	2021	Timely responses to core industrial safety issues (5,000)
2020							
Localized programs (6,400)							
Intensive management for special-status employment and other vulnerable workers (2,000)							
Development of safe techniques for tasks with high risk of fatality (all year round)							
2021							
Timely responses to core industrial safety issues (5,000)
